TERMS AND CONDITIONS

Designer Doors are inspected and photographed before being packaged. The packaging has a 'shock dot' - if a colour is visible, do not accept delivery and notify your sales contact immediately. The door **MUST** be inspected on or as soon after delivery as possible. Any damage must be reported to your sales contact within 36 hours of delivery, accompanied by photographic/video evidence. If there is any damage, do not install the door.

Once the order has been placed, alterations will not be possible. Please check the order requirements carefully.
